Re: MUR 6852

Dear Paralegal Hampton:

On behalf of Special Operations for America and myself, as Treasurer, I request an extension of time to respond to your letter of July 9, 2014 regarding the above referenced MUR. Your letter was received on Monday, July 14, 2014 and, as such, I believe the response to be due on July 29, 2014.

However, on behalf of Special Operations for America and myself, I hereby request an extension of thirty (30) days, or until August 29, 2014, to respond to your letter. The extension of time will provide me with an opportunity to better reply to your letter.

Thank you very much for your consideration. Please do not hesitate to contact me at scotthommel@soforamerica.org or (703) 389-4354.

Sincerely,

Scott Hommel  
Treasurer
